Wishing all our family and friends a most beautiful Feast of Our Lady of the Rosary! The Dominican houses in this country were founded from France. Our house which is a Perpetual Adoration house was founded by the Monastery in Ouilins. The Perpetual Rosary houses were founded by Blessed Saintourens, a Dominican from France. Our Sisters Maria Aquinas and Carol Marie came to us from the Rosary house in Union City NJ which has since closed. The picture below shows his gravesite where he and the former Camden nuns, another former Rosary House, are interred in Cherry Hill NJ. The first Sunday in October is Rosary Sunday usually celebrated with Benediction, processions and roses given out to all.

The other picture is of Glennie (far right) who brings the Legion of Mary here for Marian Feasts. Crowning of Mary with roses and celebrations with balloons released with petitions for Our Mother.

One of our priests gave a homily using the TV "Chop" food show as an example, where chefs compete for tastiest and most presentable plate. God has put many things on my plate, graces and crosses. When it is ultimately presented on high, the creative part that I have contributed, by my response, hopefully, will be pleasing to God. Our Lady of the Rosary encourages us to let her help us to draw closer to her Son Jesus.
